

Anahi  
Catamaran

# Anahi Catamaran Itinerary 15 Days E

Day	Activities
1	<b>San Cristobal Island:</b> Arrival at San Cristobal Airport. Then you will be transferred to Anahi Yacht. During the afternoon you will start a walking tour to San Cristobal Interpretation Center, where you will learn about the History of Galapagos Islands and the efforts made to preserve the flora and fauna. Then you will visit Frigate Bird Hill, where you will be able to view all San Cristobal and the sea that surrounds the Island. or you can head to Carola Point where you can spot sea lions and land iguanas at this magnificent beach. After this, head back to the yacht for dinner and rest
2	<b>Española Island:</b> Early in the morning head to head to Suarez Point, that is a basaltic cliff which forms a blowhole where water sprays high into the air, and where you can also watch sea lions, sea birds and Marine Iguanas. After lunch, you will visit Gardner Bay at Española Island, that is an important breeding site for pacific green turtles. But the main attraction is the Galapagos sea lion colony, along with marine iguanas, and Galapagos Hawks. In this island you can also snorkel.
3	<b>Floreana Island:</b> Early in the morning, head to Floreana Island, first to the Peninsula of Cormorant, where you will be welcomed by a small Galapagos sea lion colony and the largest and best Flamingo Lagoon in Galapagos. You can also snorkel at Corona del Diablo, where a wonderful coral reef can be seen. After lunch, you will go to Post Office bay, place that commemorates the improvised mail service that was situated here during the 18th century. End of the day and dinner
4	<b>Charles Darwin Research Station:</b> After breakfast, you will depart from the ship to Charles Darwin Station, and here you will learn about the protection and conservation of the island, you will see the Breeding and Rearing Centre for young tortoises and adult Galapagos tortoises in captivity. After lunch, you will be transferred to the highlands of Santa Cruz Island, up to a private farm, where giant tortoises roam freely. You will also visit one of the many lava tunnels existing in the area. At the end of the day head back to the yacht for dinner and rest.

# Anahi Catamaran Itinerary 15 Days E3

Day	Activities
5	<b>Isabela Island:</b> Early start and breakfast. The first visit will be to Tintoreras Islet, located south of Puerto Villamil at Isabela Island, where you will spot species like sea lions, sea turtles, marine iguanas, among others, you will also visit two beaches, the first full of sea lions, and the second one, surrounded by mangrove, where marine iguanas reside. After this visit, you will head to Sierra Negra Volcano, specifically the crater, where it will be possible to observe some fumes and explore the landscape. After lunch, you will visit The Wetlands to see various endemic wetland birds. Return to the catamaran for dinner and rest.
6	<b>Moreno Point and Elizabeth Bay:</b> Early in the morning visit Moreno Point in the north coast of Isabela, between volcanoes Sierra Negra and Cerro Azul, through a trail of solidified lava until a coastal lagoon where you will see several species of birds. During the afternoon you will go to Elizabeth Bay, the excursion has no landing point. You will visit the Marielas islets, and see the most important penguin colony and a cove that is surrounded by red mangroves where you will observe sea turtles, flightless cormorants, spotted eagle rays, brown pelicans and sea lions. End of the day and dinner.
7	<b>Urbina bay and Tagus Cove:</b> Early in the morning the yacht will take you to Urbina Bay, one of the recent examples of geological uplift in the Galapagos, specifically to the base of Alcedo Volcano, where you will see land iguanas, giant Galapagos turtles, and marine iguanas. During the afternoon head to Tagus Cove in the west coast of Isabela Island, to see the Galapagos penguins, flightless cormorant and other seabirds. Then go to a hike along the trail to the top of the cliff where you can view Darwin Lake and uplifted lake, and catch a glimpse of Darwin and Wolf Volcanoes.
8	<b>Espinoza Point and Vicente Roca Point:</b> Early in the morning, visit Espinoza point in Fernandina Island, that is one of the youngest and most active volcano in the Galapagos, and where you will see large groups of marine iguanas, sea lions and flightless cormorants. After lunch, you will head to Vicente Roca Point, remains of an ancient volcano lay here, and you can also see blue footed boobies, flightless cormorants and fur sea lions.

# Anahi Catamaran Itinerary 15 Days E3

Day	Activities
-----	------------

9

**Santiago Island and Rabida Island:** Early in the morning, you will visit Puerto Egas, a beach located at the west side of Santiago Island, its main attractive is the black sand beach. After lunch you will go to Rabida Island, its main attractive is the red color of the rocks and sand, due to the volcanic material that lies there. A short walk along a trail will lead you to a coastal lagoon behind the beach, where you will observe finches, doves and mockingbirds, and also a colony of flamingos.

10

**Chinese Hat and Bartolome Island:** Early in the morning you will visit the volcano islet of Bartolome, which offers some of the greatest landscapes and panoramas of the entire Archipelago. You will have to climb the stairs to the view on top of the island called Pinnacle Bay to take amazing pictures and admire the view. You can also practice snorkel here. During the afternoon, you will head to Chinese Hat a volcanic cone, that forms an islet of the rocky coast of Santiago and where a small colony of Galapagos penguins have settled. You will also see Galapagos sea lions, and marine iguanas are also present in this place. You can also practice deep water snorkeling. After lunch, In the late afternoon, return to the catamaran and dinner.

11

**North Seymour:** Early navigation to Seymour Island, where you will walk through a trail and see colonies of Blue Footed Boobies and Frigate birds. After this visit, you will be transferred to the airport to take your flight back to the continent. After lunch service on the yacht, head to Bachas Beach, where a delightful swimming beach waits for you, with a lagoon behind where you can watch native wildlife and is also a nesting area for green sea turtle form November to February. After this activity head back to the catamaran for dinner service.

12

**Genovesa Island and Darwin Bay:** After breakfast, head to Genovesa Island also known as Tower Island, where you begin with a hike to the top and enjoy a panoramic view of Genovesa Island. After lunch, you will go to Darwin Bay that is a caldera of a collapsed volcano. Walk along a coral sand beach, crossing barren lava formation and creeks where there are some species like swallow tailed gulls and red – footed boobies . Finally visit Prince Philips steps, one of the best nesting sites on the island. You can also practice snorkeling or kayaking.
