# Anahi Catamaran 5 Days Itinerary A

Days	Activities
1	<b>Bachas Beach:</b> Upon arrival to the airport in Baltra you will be transferred to Anahi Catamaran at the Bay. After lunch service on the yacht, head to Bachas Beach, where a delightful swimming beach waits for you, with a lagoon behind where you can watch native wildlife and is also a nesting area for green sea turtle from November to February. After this activity head back to the catamaran for dinner service.
2	<b>Genovesa Island and Darwin Bay:</b> After breakfast, head to Genovesa Island also known as Tower Island, where you begin with a hike to the top and enjoy a panoramic view of Genovesa Island. After lunch, you will go to Darwin Bay that is a caldera of a collapsed volcano. Walk along a coral sand beach, crossing barren lava formation and creeks where there are some species like swallow tailed gulls and red – footed boobies . Finally visit Prince Philips steps, one of the best nesting sites on the island. You can also practice snorkeling or kayaking.
3	<b>South Plaza and Santa Fe Island:</b> After breakfast, head to South Plaza, where you will see one of the largest populations of Land Iguanas in Galapagos. You will also spot Marine Iguanas and hybrids of both species. Lunch service onboard and then you will continue to Santa Fe, that begins with a dinghy boat ride across the turquoise lagoon and once in the shore you will spot one of the many sea lion colonies in Galapagos. This place is also home to Galapagos Hawks and endemic Land Iguanas, one of the largest in all the archipelago.
4	<b>Pitt Point and Kicker rock:</b> First activity in the morning will be a visit to San Cristobal Island, specifically Pitt Point, that offers an impressive view after climbing up a steep narrow path. After this visit, you will head to Kicker Rock or León Dormido in Spanish, and take a dinghy ride around it to observe the narrow channel and the marine species that nest there. You can also practice snorkel here.
5	<b>Junco Lagoon and Cerro Colorado Galapaguera:</b> In the morning, you will be transferred to the Highlands of San Cristobal Island, where you will visit El Junco Lagoon- the main water supplier of the island, and where, after a short hike will offer you the view of the entire island. Then you will head to Cerro Colorado Turtle Breeding Center, where you will learn about the work developed by scientists to preserve the Giant Galapagos Turtles. After this visit, you will be transferred to the airport to take your flight back to the continent.
