You may also see a colony of penguins at the entrance of the bay. Dinner onboard.

We disembark at Urbina Bay to see giant tortoises and land iguanas, and you can swim or practice snorkeling depending on local conditions. After lunch, head to Tagus Cove, originally a favorite landing point for pirates and whalers. You will also see the native vegetation of this area which is Palo Santo, and during the walk to Darwin Crater you can enjoy a magnificent view of the island. You also have the option of swimming or snorkeling.
