Camila Trimaran 4 Days Itinerary

Day	Activities
1	<p>Lobos Island and Kicker Rock: Upon your arrival to the airport in Baltra Island, you will be transferred to Camila Trimaran at the bay. After settling in the yacht and lunch, your first visit will be to Lobos Island, named like this because of the many sea lions that reside here resting and playing along the shore. This place is also home to different species of birds, like pelicans, frigate birds and more. You can also swim and snorkel at Kicker Rock, nearby this island or just relax on the beach during the rest of the afternoon. After these activities end of the day and dinner onboard.</p>
2	<p>Pitt Point and Witch Hill: Early in the morning, you will arrive to Pitt Point, where you can see the different developments of the volcanic activity that formed this island. You will also see have an amazing view of the entire place once you reach the top of the island after a hike. During the afternoon, you will take a dinghy ride to Witch Hill and then land at a white sand beach to spend the rest of the afternoon swimming or snorkeling. End of the day and dinner onboard.</p>
3	<p>Suarez Point and Gardner Bay: Early in the morning head to Suarez Point on Española Island, a nesting site for waved albatross, along with other sea birds, like masked and blue footed boobies, among others. This place is also home to marine iguanas and sea lions During the afternoon, you will visit Gardner Bay, home to a large and varied wildlife population, like boobies, frigate birds and sea lions. In this place you will have the opportunity to swim from the shore or just rest or walk on the beach. After this activity, dinner will be served onboard.</p>
4	<p>Bachas Beach: First activity of the day will be heading to Bachas Beach, one of the main nesting sites for sea turtles, where you can also admire native species like flamingos, light foot crabs, among others, at the lagoons behind the coast line. After this activity you will be transferred to Baltra Airport and take your flight back to the continent.</p>
