Galapagos Legend Cruise Ship

Galapagos Legend Cruise Ship 5 Days Itinerary "D"

| Days | Activities |
|------|---|
| 1 | <p>San Cristobal Interpretation Center: Upon your arrival to the airport in San Cristobal Island, you will be transferred to the dock to get onboard Galapagos Legend Cruise Ship. After settling in the yacht and lunch, you will visit San Cristobal Interpretation Center, where you will learn about the natural history of the islands, and the conservation efforts that have been made to preserve the native and endemic species that reside on the archipelago. End of the day and dinner onboard.</p> |
| 2 | <p>Gardner Bay and Suarez Point: The first visit of this day will be to Española Island, specifically to Gardner Bay, one of the most stunning beaches in all of Galapagos, home to a colony of Galapagos sea lions. You can also spot hood mockingbirds endemic to this island along with Darwin finches. You can also snorkel from the beach and you may spot marine turtles while doing this activity. In the afternoon, head to Suarez Point where you will take a walk on a lava terrain and spot marine iguanas, sea lions, endemic lizards and various species of boobies and gulls. End of the day and dinner onboard.</p> |
| 3 | <p>Post Office Bay and Cormorant Point: Early in the morning, the cruise will take you to Floreana Island, where you will visit Post Office Bay, which is the remain of the oldest functioning post office in the Pacific, that whalers and fur sealers used to send their letters, and it's a tradition for tourists to post their letters to nowadays. During the afternoon, you will head to Cormorant Point, where you will visit an olivine sand beach and a lagoon inhabited by pink flamingoes, and also a white sand beach, that is a nesting area for sea turtles. From here, you can also visit Devil's Crown, one of the most amazing snorkeling sites of the archipelago, and where you can spot turtles, eagle rays and hammerhead sharks while snorkeling.</p> |
| 4 | <p>Santa Cruz Island: First activity of the day will be landing at Santa Cruz Island, and your first visit will be to Charles Darwin Research Station, where you will learn about the conservation efforts that have been made to preserve the endemic and native species form the archipelago. Then you will take a bus ride to Santa Cruz Highlands, where you will have the opportunity to see Galapagos giant Tortoises in their natural habitat. During the afternoon, you will head to Eden Islet, which is the perfect spot for snorkeling kayaking or to take a dinghy ride to see fishes' species like angelfish, surgeon fish, rays and sharks</p> |
| 5 | <p>Carrion Point: At the beginning of the last day, you will take a dinghy ride to Carrion Point and you will see sharks, various species of birds and blue footed boobies. After this activity you will be transferred to the airport to take your flight back to the continent.</p> |
