

Infinity Yacht

Infinity Yacht 4 Days Itinerary

Day	Activities
1	Black Turtle Cove: Upon your arrival to the airport in Baltra Island, you will take a boat ride to be transferred to Infinity Yacht. After settling in the yacht and lunch, your first visit will be to Black Turtle Cove, located in the northern part of Santa Cruz Island. You will take a dinghy ride to this inlet, and you will see the mangrove ecosystem, home for young marine life, like white-tip reef sharks, sea turtles, and rays. End of the day and dinner onboard.
2	El Barranco and Darwin Bay: The first visit of this day will be to Genovesa Island, specifically Prince Phillip's Steps, called el Barranco in Spanish; this is a steep and rocky path that leads up to a high cliff, from where you can appreciate a nice view of all Genovesa Island. During the afternoon, you will head to Darwin Bay, a white sand coral beach, that winds through mangroves filled with land birds, like Nazca boobies, red-footed boobies and swallow-tailed gulls. You can also visit tidal pools at this place, where sea lions can be seen swimming and resting. After these activities head back to the yacht for dinner onboard.
3	Sullivan Bay and Santiago Island: Early in the morning, the yacht will land on the southeast part of Santiago Island, called Sullivan Bay, this is the perfect place to see the elevations and recent geology formations of lava flows, due to its recent volcanic origin. After lunch you will head to Rabida Island, one of the most colorful islands, due to its red sand beach, product of the sand's volcanic components. This island is a great snorkeling site.
4	Santa Cruz Island: After breakfast, the yacht will land at Santa Cruz Island, and the first visit will be to Fausto Llerena Breeding Center, home to many subspecies of turtles, from younglings to adults. After this activity you will visit Santa Cruz Highlands briefly, to see the native vegetation and the Galapagos Giant Tortoises in their natural habitat. Then you will be transferred to Baltra Airport, to take your flight back to the continent.
