

La Pinta Cruise Ship

La Pinta Cruise Ship 5 Days Itinerary "A" Eastern Islands

Days	Activities
1	<p>South Plaza Island: Upon your arrival to the airport in Baltra Island, you will be transferred to the dock to get onboard La Pinta Galapagos Cruise. After settling in the yacht and lunch, your first visit will be to South Plaza Island where a white sand beach and black lava shoreline waits for you. This place is also home of yellow grey land iguanas and sea lions, which you will spot while resting at the beach. End of the day and dinner onboard.</p>
2	<p>Santa Fe Island and Colorado Hill: Early in the morning, you will take a dinghy ride to Santa Fe Island, place populated by a big colony of sea lions, Galapagos hawks and the Santa Fe land iguana, unique to this island. You can also snorkel and swim at this island. After lunch, you will disembark at Baquerizo Moreno Port, and take a bus ride to the island's southern shore, where you will visit Colorado Hill, and visit the breeding center, destined to highly endangered giant tortoises, and learn about the conservation efforts made to preserve this species.</p>
3	<p>Pitt Point and Witch Hill: First activity of the day will be landing on the eastern tip of San Cristobal Island, where you will visit Pitt Point, to take a trail that ascends from the beach, and once on the top, you will have a spectacular view of the Island. If the conditions are favorable you can swim, kayak or snorkel from the beach. In the afternoon, after lunch, you will take a dinghy ride to Witch Hill, where a white coral beach waits for you, and is a great place for walking and birdwatch the seabirds and shorebirds that reside here.</p>
4	<p>Suarez Point and Gardner Bay: Early in the morning you will visit Suarez Point, where you will take a walk on a lava terrain to visit sea bird colonies, such as waved albatrosses, boobies, swallow tail gulls and you may also spot marine iguanas. During the afternoon you will head to Gardner Bay, where a white coral beach, home to sea lions waits for you. This is also a nice snorkeling spot, and you can also kayak or take a dinghy ride around the bay. End of the day and dinner onboard.</p>
5	<p>Charles Darwin Research Station: First activity of the day will be disembarking at Santa Cruz Island, where you will visit Charles Darwin Research Station, and learn about the captive rearing program for the giant tortoises, and the efforts that have been made to preserve this species. After this activity, you will be transferred to Baltra Airport to take your flight back to the Continent.</p>
