

Montserrat Yacht

Montserrat Yacht Itinerary 5 Days B

Day	Activities
1	San Cristobal Island & Isla Lobos: Arrival to San Cristobal Airport. Short bus ride to the harbor and settle aboard the yacht. After lunch, you will visit Isla Lobos, where you can take a panga ride to view the sea and shore birds nesting and feeding. Spot a small colony of blue-footed boobies as well as two species of sea lions. Return to the yacht and dinner.
2	Witch Hill and Breeding Center Early in the morning, head to Witch Hill to explore its coastline and look for wildlife on the beach. You can take a short walk to a freshwater lagoon to see flamingos and swim around the turquoise water shore. After lunch you will head to Jacinto Gordillo Breeding Center to see all of the different species of tortoises up close. See newborns as well as full-grown adult tortoises that can live well over 100 years.
3	Gardner Bay & Punta Suarez (Española): Today begins at Gardner Bay, where you will visit a magnificent white sand beach to see a big colony of sea lions and sea birds. You may also practice snorkeling in Tortuga Rock, just ahead of Gardner bay, and see various species of fish such as king angelfish, bump head parrot fish and white tipped reef sharks. After lunch, head to Punta Suarez at Española Island, where you will see sea lions around the landing dock, and find many species of nesting sea birds such as boobies and albatross. After this activity return to the yacht and dinner.
4	Punta Cormorant & Post Office Bay (Floreana Island): Begin your day with a visit to Punta Cormorant to discover two beaches, one with green sand, the other white sand known as "Flour Beach". You may observe flamingos and other shore birds here, and may practice snorkeling at Champion Islet to spot large groups of fish, sea turtles and reef sharks. After lunch, head to Post Office Bay, where you will learn about its unique history, which used to be used as a post office by whaling vessels and pirates during the 18th century. After this activity, return to the yacht and dinner.
5	Santa Cruz Highlands & Charles Darwin Station: Early in the morning, visit Charles Darwin Research Station to learn about the conservation efforts of Galapagos tortoises. Then you will be transferred to Baltra airport to take the flight back to the continent
