

Montserrat Yacht

Montserrat Yacht Itinerary 8 Days B

Day	Activities
1	San Cristobal Island and Isla Lobos: Arrival to San Cristobal Airport. Short bus ride to the harbor and settle aboard the yacht. After lunch, you will visit Isla Lobos, where you will snorkel right off the beach among the families of sea lions and their pups. Jacinto Gordillo breeding Center to see all the different species of tortoises up close. Return to the yacht and dinner.
2	Cerro Brujo and Jacinto Gordillo Breeding Center: Early in the morning, head to Cerro Brujo to explore its coastline and look for wildlife on the beach. You can take a short walk to a freshwater lagoon to see flamingos and swim around the turquoise water shore. After lunch you will head to Jacinto Gordillo Breeding Center to see all of the different species of tortoises up close. See newborns as well as full-grown adult tortoises that can live well over 100 years.
3	Gardner Bay & Punta Suarez (Española): Today begins at Gardner Bay, where you will visit a magnificent white sand beach to see a big colony of sea lions and sea birds. You may also practice snorkeling in Tortuga Rock, just ahead of Gardner bay, and see various species of fish such as king angelfish, bump head parrot fish and white tipped reef sharks. After lunch, head to Punta Suarez at Española Island, where you will see sea lions around the landing dock, and find many species of nesting sea birds such as boobies and albatross. After this activity return to the yacht and dinner.
4	Punta Cormorant & Post Office Bay (Floreana Island): Begin your day with a visit to Punta Cormorant to discover two beaches, one with green sand, the other white sand known as "Flour Beach". You may observe flamingos and other shore birds here, and may practice snorkeling at Champion Islet to spot large groups of fish, sea turtles and reef sharks. After lunch, head to Post Office Bay, where you will learn about its unique history, which used to be used as a post office by whaling vessels and pirates during the 18th century. After this activity, return to the yacht and dinner.

Montserrat Yacht Itinerary 8 Days B

Day	Activities
5	Santa Cruz Highlands & Charles Darwin Station: Early in the morning, visit the Highlands of Santa Cruz to see the Galápagos giant tortoise in its natural surroundings. Some free time in Puerto Ayora in the afternoon, and then visit Charles Darwin Research Station to learn about the conservation efforts of Galapagos tortoises.
6	Sullivan Bay & Bartolome Island: For the first activity of the day, we will head to Sullivan Bay on Santiago Island, to see fascinating giant lava formations, due to the recent formation of the island, and watch the sea lions that gather on the shore. You may also snorkel here and discover many species like turtles or rays. After lunch, head to Bartolome Island, to hike up for the most amazing panoramic view at the Galapagos Islands. Finally time on the beach or to snorkel at the reef in this place and see various fishes, friendly sea lions, and sea turtles.
7	Bachas Beach and Dragon Hill: Early in the morning we visit Bachas Beach, a white sand beach which is the nesting site for sea turtles; you may also spot flamingos, hermit crabs and sea lions, or practice snorkeling here. After lunch, head to Cerro Dragon (Dragon Hill), and take a walk to the lagoon that is frequented by pink flamingos, pintail ducks and other species. Here you will also pass through a Scalesia tree forest, endemic to the area. Head back to the yacht and dinner.
8	Black Turtle Cove: Begin the day with a boat visit to Black Turtle Cove, by a panga ride and you will see the mangroves and the rich marine wildlife that inhabits this ecosystem, like manta rays and sea turtles, reef sharks can also be seen gliding by. Then, transfer to Baltra Airport and take your flight back to the continent.
