

**Nemo II
Catamaran**

Nemo II Catamaran Itinerary 4 days "B"

Day	Activities
1	Charles Darwin Station: Upon arriving to the airport in Baltra you will be transferred to the Nemo Yacht at the Bay. After lunch service on the yacht, we visit Charles Darwin Station to learn about the protection and conservation of the island, and see the Breeding and Rearing Centre for young tortoises and adult Galapagos tortoises in captivity. Return to the catamaran and dinner.
2	Cormorant Point and Post Office Bay (Floreana Island): Your first stop will be Cormorant Point, where you will be welcomed by a small Galapagos sea lion colony. You will visit two beaches: a green sand beach that contains olivine crystal, and a flour sand beach made up of finer white coral sand. After lunch, we go to Post Office bay, established in 1793 by British whalers to send letters to and from England, and even today, visitors have the opportunity to send letters of their own. If the weather is good you may also have the opportunity to snorkel from the beach.
3	Chinese Hat and Bartolome Island: Early in the morning you will visit Chinese Hat, a volcanic cone that forms an islet of the rocky coast of Santiago, and where a small colony of Galapagos penguins have settled. You may also see Galapagos sea lions, and marine iguanas, and practise deep water snorkeling with Galapagos Penguins, white-tipped sharks and sea lions. After lunch we head to the volcano islet of Bartolome, which offers some of the greatest landscapes and panoramas of the entire Archipelago. You can also practice snorkel here or relax on the beach. In the late afternoon, return to the catamaran and dinner.
4	Black Turtle Cove: Early in the morning, after breakfast, head to Black Turtle Cove, to take a boat ride to see the mangrove swamp where you may see marine turtles, sharks and rays. After this activity you will disembark at Baltra Island to take your flight back to the continent.
