

Ocean Spray Catamaran

Ocean Spray Catamaran 4 Days Itinerary

Day	Activities
1	Lobos Island and Kicker Rock: Upon your arrival to the airport on San Cristobal Island, you will be transferred to the dock to get onboard Ocean Spray Catamaran. After settling in the catamaran and lunch, you will visit Lobos Island, named after the vas colony of sea lions that reside here, resting along the rocky shores. You can also snorkel from Kicker Rock, a point nearby, where you can see stingrays, white tipped sharks, sea lions and sea turtles. After this activity head back to the catamaran for dinner and rest.
2	Pitt Point and Witch Hill: Early in the morning, the first spot to visit will be Pitt Point at San Cristobal Island, place recognized for its volcanic floor, produced by the volcanic activity that formed this island. After a hike to the top of this place, you will have an amazing view of the surrounding waters. From this spot you will also see blue-footed and red footed boobies' nests. During the afternoon, you will visit Witch Hill, place that has awesome crevices and eroding rocks visible from a panga ride. Once you land at this place, you can rest in the white sand beach, and swim or snorkel in the teal turquoise waters, with a chance to see sea lions and tropical fish. End of the day and dinner onboard.
3	Post Office Bay and Cormorant Point: Early in the morning you will land at Floreana Island, where you will visit Post Office Bay, in which a wooden barrel was placed, by whalers during the 18th century to use as a mailbox. Nowadays visitors can also post their letters here, as a tradition. In the afternoon, head to Cormorant Point, place recognized by its two types of beaches, a green one, composed by olivine crystals, and a white one, composed of coral. Afterwards you will head to Devil's Crown, where you will have the opportunity to snorkel among hundreds of colorful fish species, rays, sea turtles and sea lions. After this activity, head back to the catamaran for dinner and rest.
4	Black Turtle Cove: After breakfast, you will take a panga ride to Black Turtle Cove, this place is surrounded by mangroves and provides a natural protection for a variety of marine life, like white- tip reef sharks, sea turtles, and rays. After this activity you will be transferred to the airport at Baltra Island to take your flight back to the continent.
