# Petrel Catamaran 4 Days Itinerary "B"

| Day | Activities  |
|-----|---|
| 1   | <b>San Cristobal Island:</b> Upon your arrival to the airport on San Cristobal Island, you will be transferred to the dock to get onboard Petrel Catamaran. After settling in the catamaran and lunch, you will visit San Cristobal Interpretation Center at Baquerizo Moreno Port. This place offers extensive knowledge about Galapagos 'history, and about the conservation efforts that have been made to preserve the native and endemic species at this island. You will also visit the Galapaguera, a breeding and conservation center for giant tortoises, where you will see this species roam freely in a semi natural habitat created by the center. End of the day and dinner onboard.  |
| 2   | <b>Garner Bay and Suarez Point:</b> Early in the morning you will head to Gardner Bay on Española Island, this place is home to a large and varied wildlife population, like boobies, frigate birds, sea lions and endemic Española mockingbird. You can also swim or relax at the beach, or head for a dinghy read to Osborn Islet for snorkeling or diving. In the afternoon you will visit Suarez Point site where you will get to see many species such as sea lions, marine iguanas, Galapagos Hawks, and Nazca boobies, but the most important of all is the waved albatross, since this is their breeding site. If you are lucky enough you may see a young albatross take off for its first flight to the sea. End of the day and dinner onboard. |
| 3   | <b>Cormorant Point and Post Office Bay:</b> First activity of the day will visit Cormorant Point, place recognized by its two types of beaches, a green one, composed by olivine crystals, and a white one, composed of coral, used as nesting site for sea turtles. After his visit you will head to Devil's Crown, a volcano structure emerged form under water, that is the perfect place for snorkel along with sharks, rays, sea turtles, sea lions and rays. During the afternoon, you will head to Post Office Bay in which a wooden barrel was placed, by whalers during the 18th century to use as a mailbox. Nowadays visitors can also post their letters here, as a tradition. You can also swim of snorkel from this place's beach.          |
| 4   | <b>Santa Cruz Island:</b> First activity of the day will be disembarking on Puerto Ayora at Santa Cruz Island, where you will visit Charles Darwin Research Station, place created to show information about the wildlife and geology of Galapagos Islands, and where you will learn about the endemic wildlife and the conservation efforts that have been made to observe the species that reside in the archipelago After this activity you will be transferred to the airport at Baltra Island to take your flight back to the continent.   |
