Seaman Journey Catamaran Itinerary 8 Days C

| Day | Activities |
|-----|--|
| 1 | Santa Cruz Highlands: Upon arrival to the airport in Baltra Island, you will be transferred to Seaman Journey Catamaran at the bay. After settling in the yacht and lunch, the first visit will be to Santa Cruz Highlands, where you will admire the island's variety of life and geology, and you will have the opportunity to observe the wild Galapagos Tortoises in their natural habitat. End of the day and dinner onboard. |
| 2 | Mangle Point and Moreno Point: After breakfast, you will disembark at Fernandina Island, specifically Mangle Point, which is a perfect site for snorkeling and a nice location for riding a zodiac through a grove of mangrove trees, where you will spot sea lions, tortoises, pelicans, among other species. Next activity will be heading to Moreno Point, located between volcanoes Sierra Negra and Cerro Azul, where you will take a trail along a solidified lava flow, to a coastal lagoon where several species of birds can be found. |
| 3 | Urbina Bay and Tagus Cove: The first visit during this day will be to Urbina Bay, located at the base of Alcedo Volcano. This is a great place to snorkel, and spot native species like land iguanas, Darwin's finches and Galapagos Tortoises. After lunch, you will head to Tagus Cove, located west of Darwin Volcano on Isabela Island and used to be a favorite hiding spot for pirates and whalers. After this activities head back to the yacht for dinner. |
| 4 | Espinoza Point and Vicente Roca Point: Early in the morning you will head to Espinoza Point at Fernandina Island, that is one of the youngest islands with the most active volcano, and where you can spot pelicans, marine iguanas and flightless cormorants. During the afternoon, head to Vicente Roca Point, this site is a large bay with spectacular sea life. Keep an eye out for seahorses, sea turtles, and the strange yet fascinating Mola mola (or sunfish). After the end of the activities head back to the yacht for dinner. |
