

Solaris Yacht

Solaris Yacht Itinerary 5 Days B5

Days	Activities
1	Baquerizo Moreno Port: Upon your arrival to San Cristobal Airport, you will be escorted to take a bus and be transferred to the harbor, then you will make your first visit to Galapagos Park National Park Visitor Center, next to Baquerizo Moreno Port town, where you will learn about the volcanic origin of the islands, the ocean climate, the different species that inhabit here, the human establishemnt, among other things. After this activity you will head back to the yacht for dinner and rest.
2	Gardner Bay and Suarez Point: In the morning, after breakfast you will head to Gardner Bay, located north-eastern coast of Española Island, place that provides an excellent beach for relaxing, swimming and snorkelling. You may also spot sea lions and sharks in the clear ocean waters. In the afternoon, you will head to Suarez Point, a rocky land spot, that sustains one of the most impressive colonies of sea birds in the Galapagos Islands. In the southern shore a high cliff rises up the sea and there is also a blow hole where water sputs up high into the air, showing an amazing landscape. After this activity head back to the yacht for dinner and rest
3	Cormorant Point and Post Office Bay: Early in the morning you will head to Cormorant Point at Floreana Island, where the largest flamingo lagoon at the archipelago can be seen. You can also spot white-checked pintail ducks. You can also visit two distinct beaches, an olivine crystal green sanded beach, and a coral white snad beach, then you will head to Devil's Crown or Champion Islet for some snorkeling. In the afternoon, you will visit Post Office Bay, where a wooden barrel was placed in the 18th century by the crew of a whaling ship, and is been used by mariners and tourists as a post office. Then you will visit the Baroness Lookout, where Eloisa von Wagner, one of the first colonizers of the Islands, used to reside
4	Sullivan Bay and Bartolome Island: First activity in the morning will be heading to Santiago Island, located in the west central part of the Galapagos Archipelago, which is also volcanically active, with many young flows and cones to be seen, this place consits of two coalesced volcanoes, which make an amazing visit spot for its unique landscape. In the afternoon, you will head to Bartolome Island, with an altitude of 144 meters, from where you can observe one of the most beautiful landscapes os the archipelago. This place has two amazing beaches, where marine turtles reside and a very small colony of Galapagos penguins. After these activities head back to the yacht for dinner and rest.
5	Black Turtler Cove: Early in the morning, you will head to Black Turtle Cove, north of Santa Cruz Island, where a red mangrove lagoon can be seen, and place that also serves as home for white tipped reef sharks, hammer head sharks and eagle rays. This visit is done by a zodiac ride. After this activity you will be transferred to Baltra Airport to take your flight back to the continent.
