

Treasure of Galapagos Catamaran

Treasure of Galapagos Catamaran Itinerary 5 Days A

Days

Activities

1

Charles Darwin Research Station: Upon your arrival to Baltra Airport, you will be transferred to Treasure of Galapagos Catamaran. During the afternoon, after lunch, your first visit will be to Charles Darwin Research Station, where you will learn about the conservation and protection of endangered species such as Galapagos tortoises, and also have the opportunity to visit the Breeding and Rearing Center for young tortoises, and adult Galapagos tortoises in captivity. End of the day and dinner onboard..

2

Sullivan Bay: Early in the morning you will go to Sullivan Bay on Santiago Island, the fourth largest island on the Archipelago, which is a volcanic active island, where you will have the opportunity to watch the young lava flows and lava cones recently solidified. After lunch, you will visit Bartolome Island, famous for its Pinnacle rock and its beautiful landscapes where you can take amazing pictures. You can also spot marine turtles and Galapagos Penguins in this island. End of the activities and dinner onboard.

3

North Seymour and Mosquera Islet: After breakfast you will visit North Seymour, this place is a nesting and courtship site for a large population of magnificent frigate birds and blue-footed boobies. You will also have the opportunity to spot sea lions, and to visit a beautiful rocky shore to rest or swim. During the afternoon you will head to Mosquera Islet, where you will take a panga ride to observe sea lions and various species of shorebirds, this site offers great snorkeling a swimming opportunities.

4

South Plaza and Witch Hill: First activity of the day will be landing on South Plaza Island, that forms part of a pair of islands known as "Islas Plazas", where you will see various species of land iguanas, marine iguanas and hybrids of this species. In the afternoon, head to Witch Hill. The primary attraction of this place is the coral sand beach, and is also an excellent place to swim and snorkel. It is also an impressive landscape, where is possible to see coastal and migratory birds. End of the activities and dinner onboard.

5

San Cristobal Interpretation Center: During the final day, you will visit San Cristobal Interpretation Center, where you will learn about the origin and colonization of the island, their native species and the conservation effort that has been made to preserve them. After this activity, you will be transferred to San Cristobal Airport and take your flight back to the continent.
