Xavier Yacht Itinerary 4 Days A

Day	Activities
1	San Cristobal Island: Arrival at San Cristobal Airport. Short bus ride to the harbor and settle aboard the yacht. After lunch you will visit Lobos Island, place where one of the greatest sea lion colonies at the Galapagos resides. After this head back to the yacht for dinner and rest.
2	North Seymour and Mosquera Islet: Early in the morning we visit North Seymour to see the various species of birdlife that inhabit the island, such as blue footed boobies and frigate birds. After lunch, head to Mosquera Islet, located between Baltra and North Seymour, where one of the largest populations of sea lions resides. With luck it is also possible to occasionally spot Orcas here.
3	Sullivan Bay and Bartolome: Early in the morning we land at Sullivan Bay on Santiago Island, where you can see tis place's giant lava formations, and sea lions that rest along the shore. After lunch we visit Bartolome Island, famous for the fabulous panoramic landscape of Pinnacle rock where you can take amazing pictures. You can also snorkel at this island. End of the day and dinner.
4	Charles Darwin Research Station: After breakfast we disembark at Puerto Ayora and head to Charles Darwin Station, where you will learn about the protection and conservation of the endemic species at the island, and visit the Breeding and Rearing Centre for young tortoises and adult Galapagos tortoises in captivity. After this activity you will be transferred to Baltra Airport to take your flight back to the continent.
